To Whom It May Concern:

It is my pleasure to write this letter for Ms. Carla Weber. I have had the honor of working with Carla during the 2014-2015 school year at Fesler Junior High School. Carla is an amazing co-teacher who has done an outstanding job working in the English department at Fesler. She has a positive impact on the students at our school and is highly regarded amongst her peers and master teacher.

Carla exhibits every quality that is desired in a teacher. She is creative in her planning and always engages her students in the lessons she teaches. Carla is a true team player that has fit in well with our English department. She has wholeheartedly embraced our school practices and is always open to incorporating ideas from her master teacher and others within her department.

Carla has shown a maturity in her lesson planning and classroom management that would be expected from a veteran teacher. Even with a very strong teaching foundation and skill set, she is extremely humble and always looking to improve. Carla is a true lifelong learner and a team player.

Throughout my career in education, I have been privileged to work with a number of outstanding student teachers. Carla definitely falls into that category. She has an extremely bright future and I know she will have a profound impact on the students she teaches. Carla will meet and exceed your expectations and be an amazing addition to your staff.

Respectfully,
