

## Education

Cal Poly, San Luis Obispo — August 2014 - June 2015  
Single Subject Teaching Credential, English GPA: 3.9

Cal Poly, San Luis Obispo — September 2010 - June 2014  
B.A. in English with Minors in Psychology, German. Graduated Cum Laude. GPA: 3.6

## Teaching Experience

**Student Teacher: English and AVID, Fesler Junior High — August 2014 - June 2015**  
**Santa Maria, California**

- Executed differentiated lesson plans that complied with Common Core standards to promote higher-level and critical thinking skills in a majority English Learner classroom
- Utilized various reading and writing strategies and scaffolding materials that are compliant with SDAIE, backwards design, and the Universal Design for Learning
- Facilitated lessons and activities for eighth grade AVID including field trip to colleges, encouraging organizational and study skills to maintain motivation to attend college
- Cultivated a structured but supportive classroom environment by setting high expectations and implementing strong routines and procedures
- Co-planned and collaborated with cooperating teacher to develop engaging and rigorous units that simultaneously challenge and support students' reading and writing
- Attended Parent-Teacher Conferences and interacted with parents outside of school to foster a learning community and support for the student
- Implemented technology such as Google Apps for Education, interactive educational games, and blog style writing to encourage collaboration, reflection, frequent writing practice, and technological fluency

## Leadership Experience

**Writing Tutor: Cal Poly Writing and Rhetoric Center — March 2013 - January 2015**  
**San Luis Obispo, California**

- Worked with college students to improve their writing, communication, and confidence
- Completed 10 weeks of training, including education in relevant Writing Center theories

**Orientation Leader: Cal Poly Week of Welcome — 2012 and 2013**  
**San Luis Obispo, California**

- Completed over 60 hours of leadership training to guide first year students around the community while teaching responsibility, teamwork, and encouraging a supportive and inclusive environment
